

CATALYZING CHANGE FOR NEW YORKERS

FOR 85 YEARS AND COUNTING

United Way of New York City's mission is to mobilize communities to break down barriers and build opportunities that improve the lives of low-income New Yorkers for the benefit of all.

We are a trusted partner with our NYC neighbors and a convening organization—a backbone for a network of vital service organizations. We are results and data driven, focused on collaboration and accountability, with a continuous learning mindset.

We welcome diverse stakeholders to join us and our partners as we work to make the city more equitable for all New Yorkers.

50%

of New Yorkers can't meet the true costs of living in our city.
